Responses to the Department's Seventh Set of Information Requests

Request No. DTE 7-18 (Gas):

Please explain or reconcile the differences between the "Total Company" entries shown in Sch. JLH-5-2 (Gas) (Detail Functional Delivery Class Cost of Service) with the corresponding entries under the "Delivery Service" column in Sch. JLH-5-4 (Gas).

Response:

The cost study labeled as Schedule JLH-5-2 (Gas) was mistakenly represented as the delivery service components when it only represents the distribution demand components. The correct delivery service cost of service that should have been labeled as JLH-5-2 was provided in JLH-8, Workpapers Supporting Schedule JLH-5 (Gas), Pages 5 to 78.
